MailSPEC

MAPI Connector EOL Announcement

Summary

This Product EOL announcement signifies the final phase in the product lifecycle for the CommuniGate Pro MAPI connector. This document serves as advanced notice for the end of distribution and support for the items listed. Development for all versions of the MAPI connector will be terminated.

MailSPEC announces the End of Life for the following list of products with the imminent intent to discontinue availability and support.

Product	Version	Description
MAPI Connector	All	All releases

EOL Timeline

For reference, MailSPEC will discontinue distribution of and technical support for the products listed above based on the following schedule.

Product	Version	Last Day of Distribution and Support
All above	All	31-December-2022

Updated Software

We encourage you to reach out to our team (contact information below) regarding the status of your license and consider upgrading to the latest supported release of the CommuniGate Pro software.

This not only ensures optimal care, but prior versions that are not updated may not have upgraded security protocol support. Certain public exploits have become known to old versions of SSL and certain technologies.
